

The
Training Gateway
corporate and professional training from UK universities and colleges

2008
THE AWARDS
OUTSTANDING EMPLOYER
ENGAGEMENT INITIATIVE

The **FREE one stop shop**

for organisations looking to source corporate and professional training and educational partnerships from UK universities and colleges.

Why work with The Training Gateway?

- Easy and free to use, saving you time and money
- All sourced through one website, so you don't have to search for different suppliers
- Offers a vast range of courses including university and professional association accredited programmes
- Training tailored to your specific needs
- Supports accreditation of in-house training programmes
- Facilitates partnerships with educational institutes across the world

"The Training Gateway has been extremely valuable in identifying UK universities and colleges with training courses, consultancy expertise and partnership opportunities"
